Rochester Area Bible Quizzing
Verse-a-Thon

Is your quizzer interested in helping our quiz program with expenses? The Verse-a-Thon is just for you!

This entirely optional adventure challenges kids to memorize God's Word when sponsored by donors willing to contribute to the RABQ program based on the number of verses which will be memorized.

For example, say your quizzer intends to memorize 100 verses by the February quiz tournament. Your quizzer then explains to generous donors that by sponsoring 5 cents a verse, their memorizing will help the program cover \$5 in expenses AND will encourage the quizzer to memorize all 100 verses! Of course, gathering ten donors all willing to sponsor 5 cents a verse will help the program cover \$50 in expenses. Donating a lump sum is also appreciated!

Start now to gather sponsors. Recite verses using the regular Olympic Memory Challenge forms, show your donors proof of your recitations using the cumulative OMC stats, and collect their generous donations for the February tournament.

If donors want an IRS giving receipt, they can pay by check to "Teen Hope Ministries" with "Bible Quizzing" in the memo, or head over to the Teen Hope Ministries website and click on the "donate" button <https://www.teenhopeministries.org/donate/> Remember to add "Bible Quizzing" in the comment.
